Superintendent E.M. Chestnut with his secretary, Mrs. Betty Vetter. He completed twenty-nine years of service to B.H.S. this year, succeeding Mr. John Morrell as head administrator. Problems of financing and curriculum changes weigh heavily and Mr. Chestnut and the local board are cooperating with county representatives considering the many common problems.

Principal Robert "Bob" Harrison returned to B.H.S. this year after a year's leave of absence to complete his Master's Degree at Kansas State University. Prior to assuming the principal's position, Mr. Harrison had been coach and teacher since 1945.

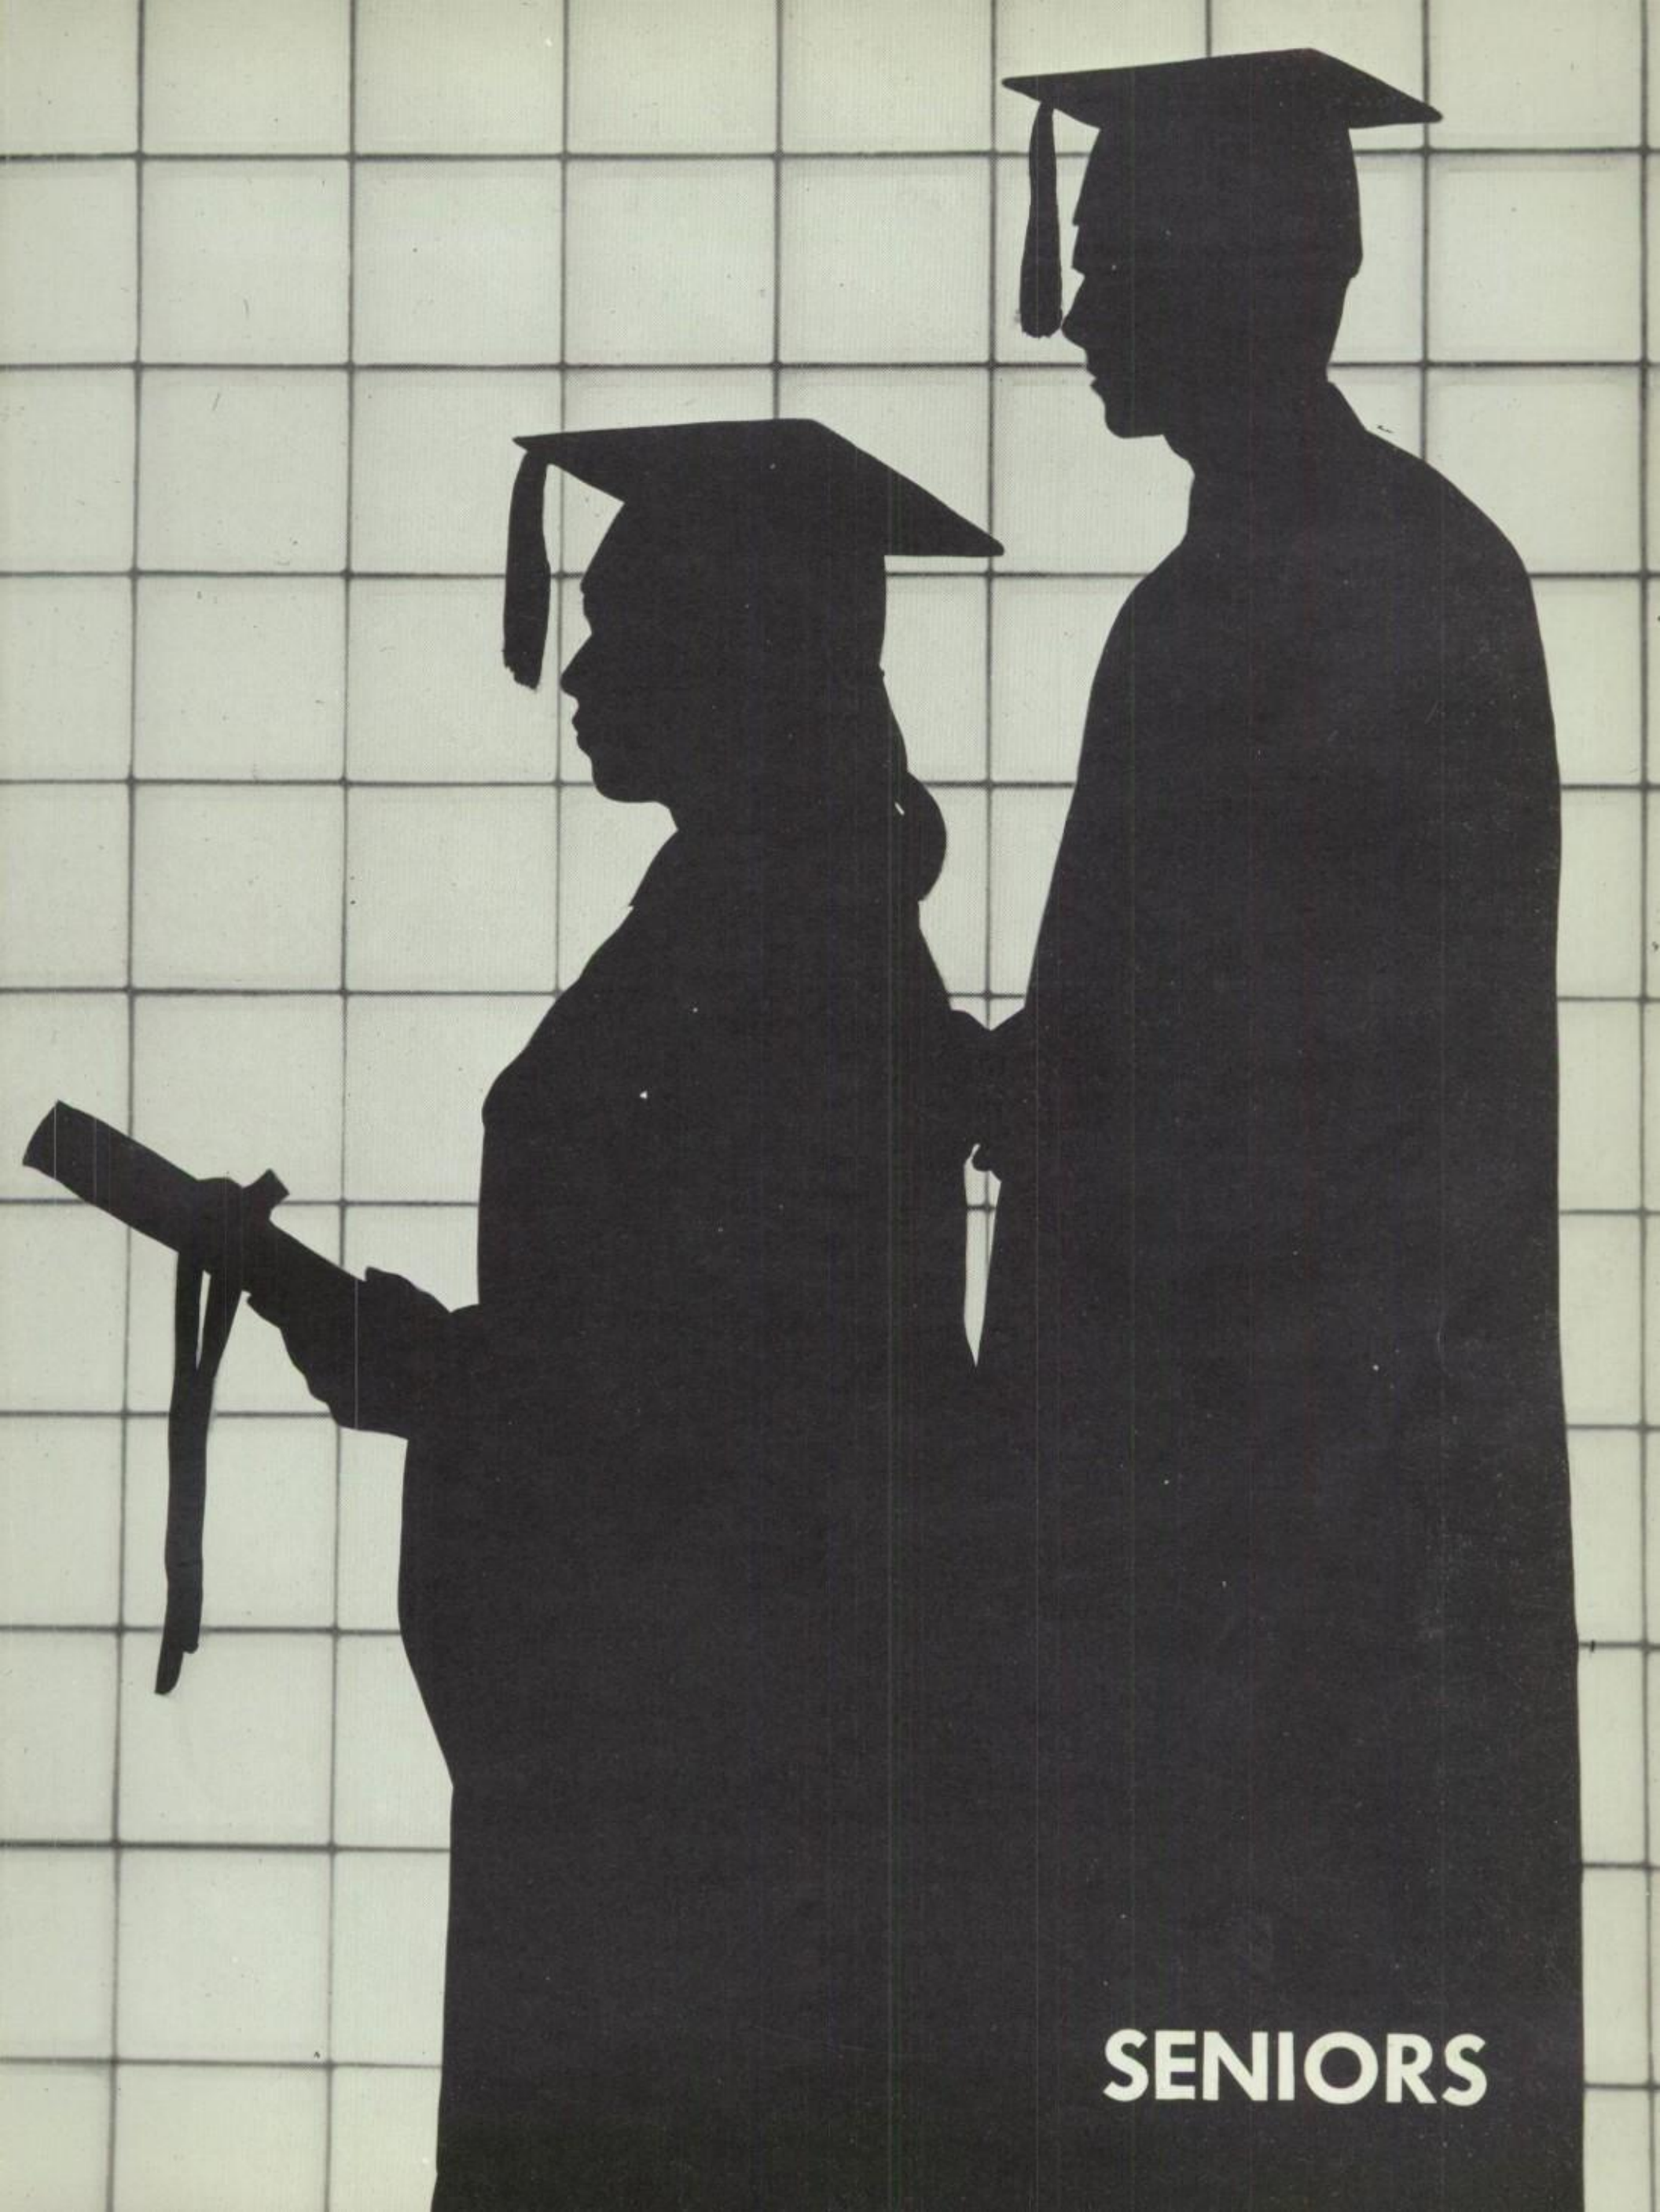

Pictured with Mr. Harrison at his desk is Mrs. Ruth Guard, who came to work in January replacing Martha Helmbrecht.

Seniors Illuminate Juniors at Reception

The Senior Class of Beloit High School

requests your presence at the

Senior-Junior Reception

Tuesday evening, December the second

nineteen hundred and fifty-eight

Municipal Auditorium

eight o'clock

Seniors Mike Lummis, Kay Blanding, Rodger Gaskill, Kathie Knitter, and Brian Hogan sing "Tom Dooley"

Strains of "The Wayward Wind" -- theme song of the Senior-Junior Reception--floated through the Municipal Building Tuesday evening, December 2. Identification of "brands" of many of the juniors and seniors was a medium of the initial mixer. Senior class president, Brian Hogan, extended the welcome to juniors, response by junior class president, Gordon Eller. MC for the evening was Mike Lummis. Following the "western" entertainment, refreshments were served, Carolyn Couton and Beth Yager presiding at the punch bowls.

Kay Blanding poses for picture after singing "Surrey with the Fringe on Top."

FOUR BELLES: Barbara Farr, Joan Rugg, Iverne McCune, and Deanna Kindler pose beside the "surrey."

Curtain call following two successful presentations in spite of the mumps.

Dramatic Portrayal in "A Man Called Peter"

Catherine (who has been convalescing): "I'm fine, dear. How was the Missionary Meeting?"

Joe: "Dr. Marshall, wouldn't it be a wonderful challenge for you to be Chaplain of the United States Senate?"

Baccalaureate Sketches Future Responsibility

Speaker Rev. Robbins developed the thought that Baccalaureate is a time for a sermon at eveningtide and a reminder that a world of adults is welcoming us to a world of responsibility.

Responsibility as an adult implies the need for guidance, and thus we begin to see the need for God's direction.

We, living in the richest country in the world, are a tiny minority compared with the majority of the world and its poverty. Thus we become prejudiced. Prejudices are tragic because we pass them on to succeeding generations. We scatter our selfish desires with unconscious delight and with complete disregard of the harm they do to others.

Hence, our efforts should be directed to following those who are least prejudiced. We will discover that people are selfish and childish. And our help will be in faith and love toward our fellow-man. Love knows no limit to its endurance, no end to its trust, no fading of its hope. Faith is summed up as endurance, trust and hope -- and herein lies the salvation for our generation.

Rev. Sheridan Robbins, First United Presbyterian Church, Beloit, speaker.

"The Time Has Come" — Commencement!

Developing the thought that "The Time Has Come" to think of many things, Dr. Charles pointed out that nowhere else in the world -- in no other civilization -- does the event of high school "Commencement" take place. The class of '59 is a privileged group also because its members have achieved that which many strove for but have not accomplished.

Continuing the premise that "The Time Has Come," Dr. Charles reminded that though man has learned to fly like a bird, swim like a fish, and in other ways duplicate nature, he has yet to learn to walk like a man. "The Time Has Come" to think of writing this chapter in the story of mankind.

"The Time Has Come" to learn four cardinal ways of living:

1. To think without confusion clearly.
2. To love our fellow-man sincerely.
3. To act from honest motives purely.
4. To trust in God and heaven securely.

In summarizing, Dr. Charles pointed out that "The Time Has Come" to recognize the importance of the role that we are going to be playing in the world -- not only as an individual, but also as a part of society.

Juniors Delineate Youth in "Melody Jones"

Juniors enjoyed this dramatic venture, presenting it two evenings, October 28 and 30, under the direction of Mrs. Genevieve Stofer. Melody Jones is the story about the kind of girl every girl wants to be --- the kind every boy likes because there's something about her starts him singing --- the kind of girl every father adores because she give him headaches, heartaches, and the joyful life. But all the joy went out of Melody and Melody's family that evening at the party when her cousin, Elaine, in a fit of jealousy, tells her she's adopted.

This is the story of a young girl's laughter and tears, a story to make one proud of American youth.

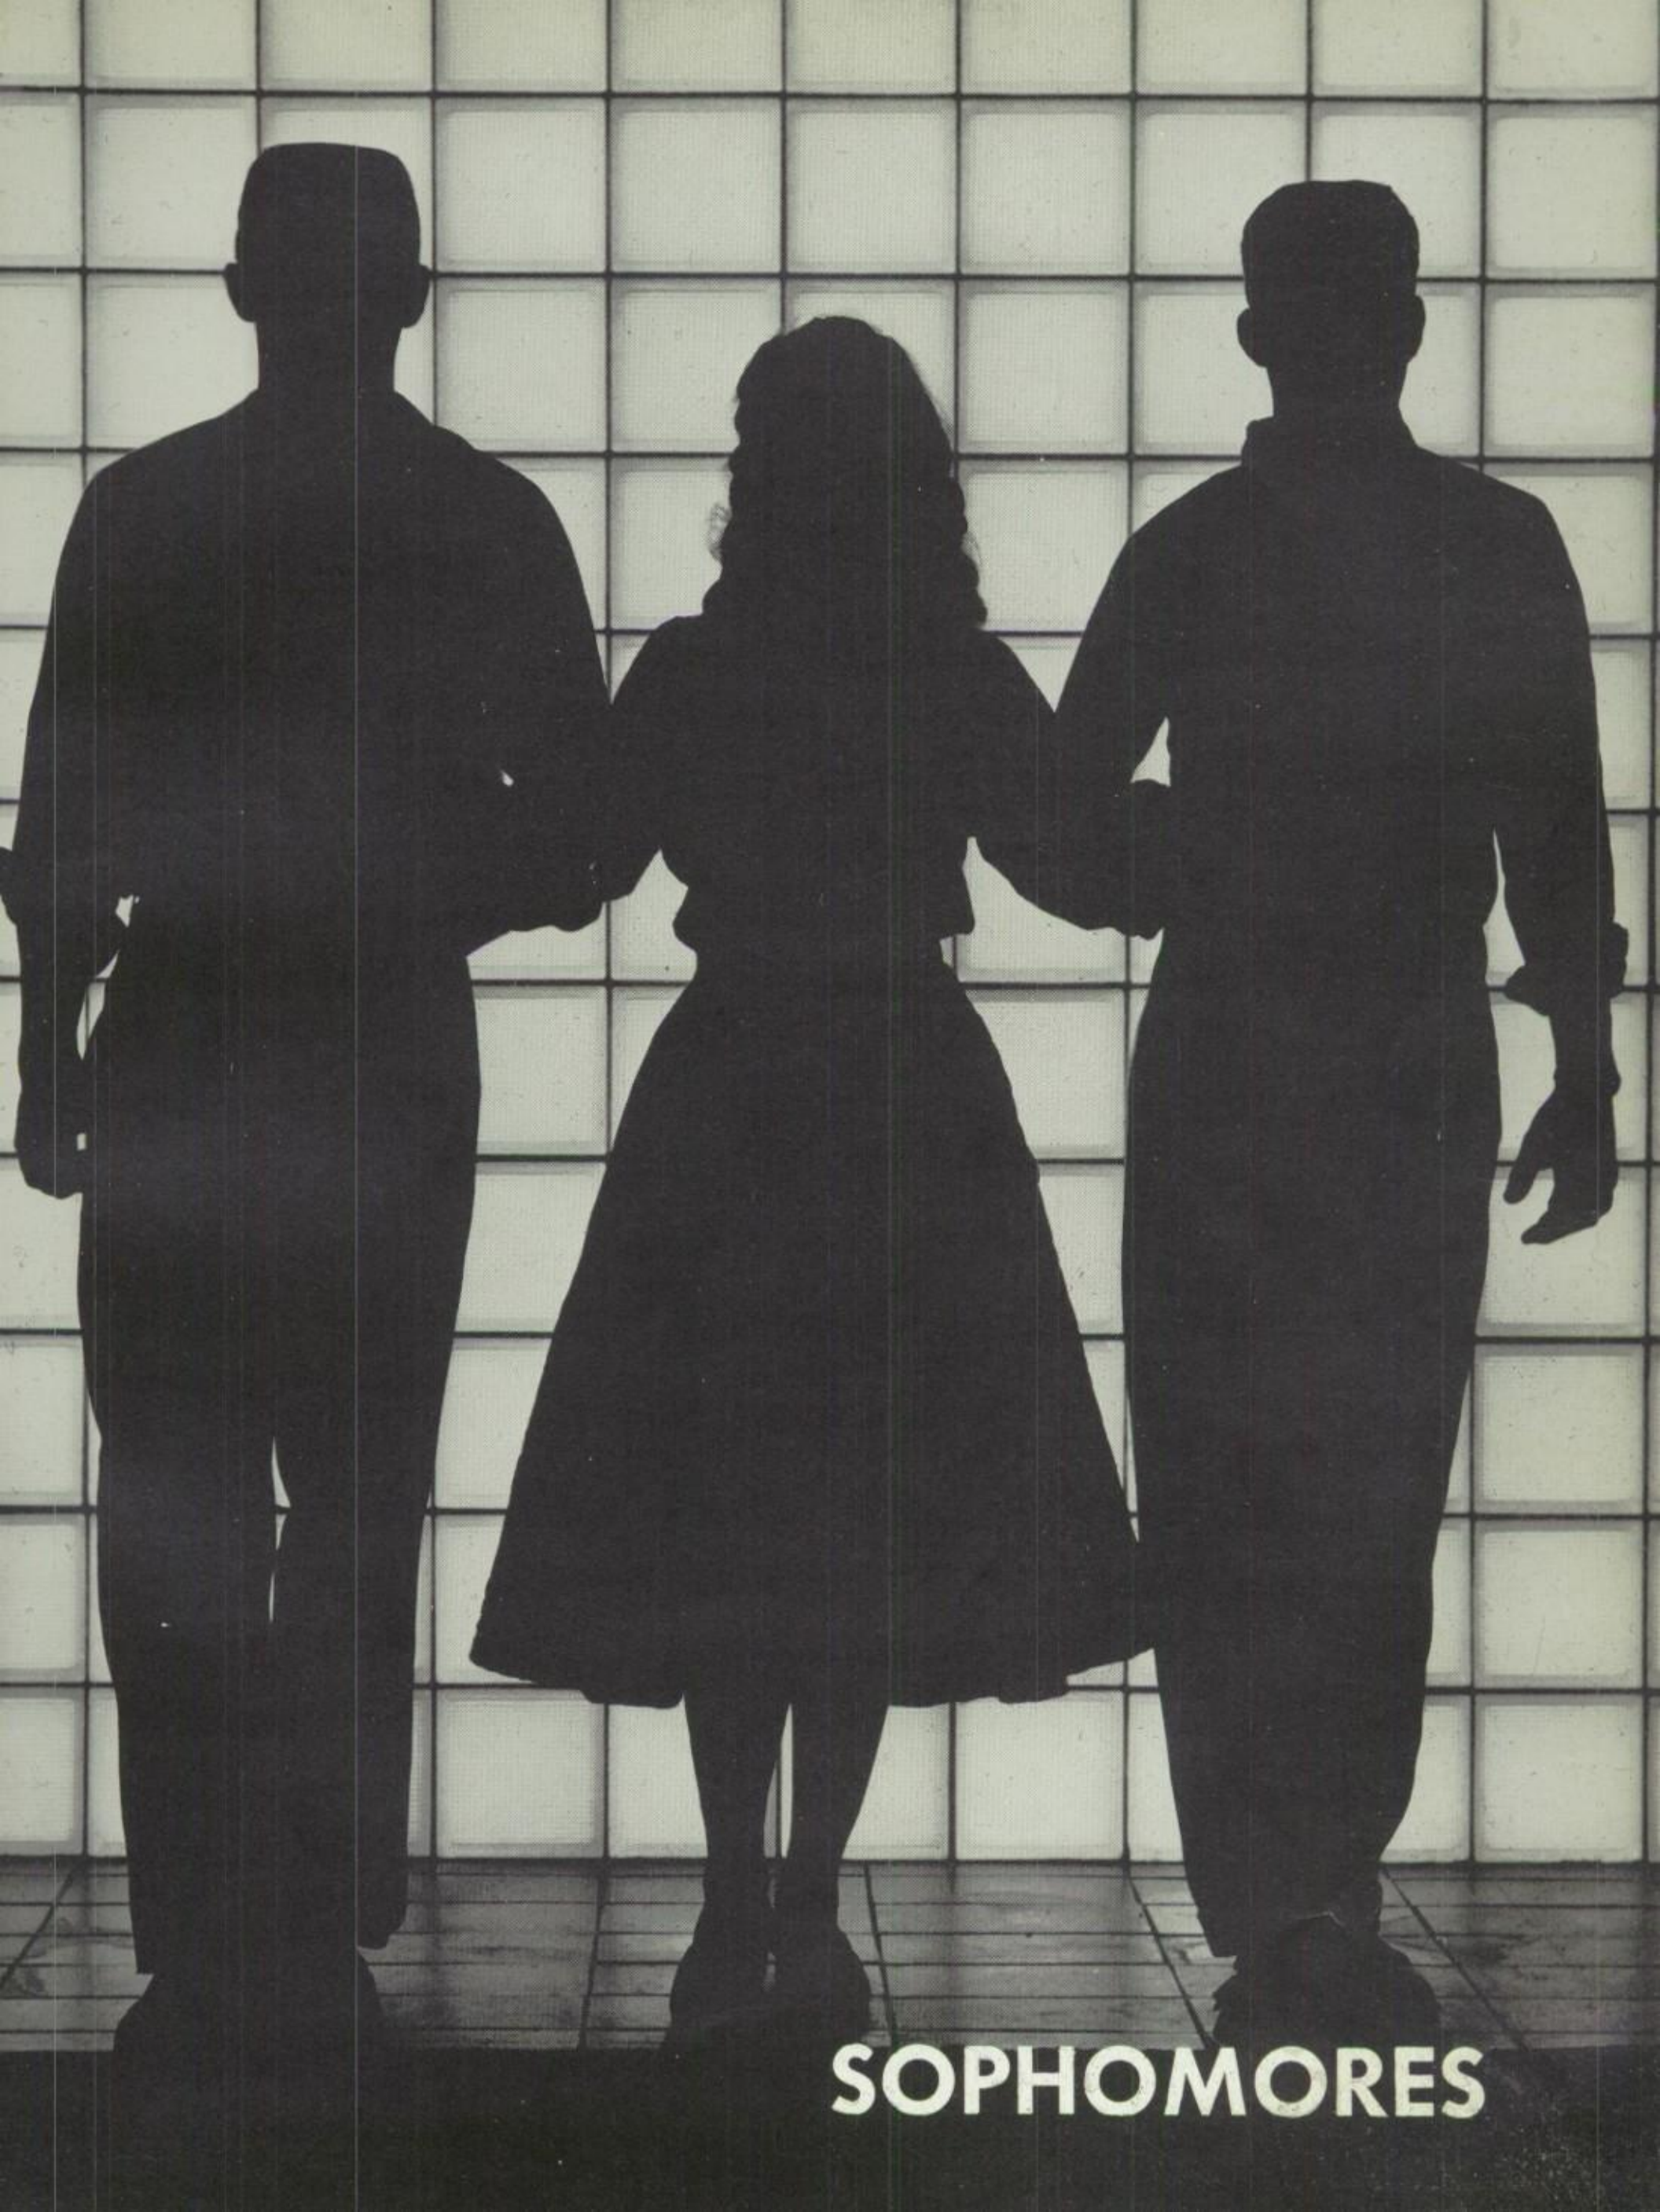

Ken (to Melody): "Mother says you have a reputation for doing crazy things."

Father: "Oh, that fool phone. Now all of you get down again. Hide!"

SIX SENIORS RECEIVED COLLEGE SCHOLARSHIPS, STANDING: Rodger Gaskill, B.C.T.A.; Brian Hogan, National Methodist. SEATED: Barbara Litton, B.C.T.A.; Mary Lou Summers, Elk Club; Kay Kelley, Colorado Woman's College; Thelma Ann Finley, National Cancer Fund.

These Students Define the Finest

On these pages the TROJAN staff seeks to recognize those students who have received honors in some school related activity not mentioned elsewhere in this yearbook, and to give special mention to those who have achieved the highest scholastic honors during the year.

College scholarship awards are not the least of these significant achievements, and six seniors this year are duly noted on this page.

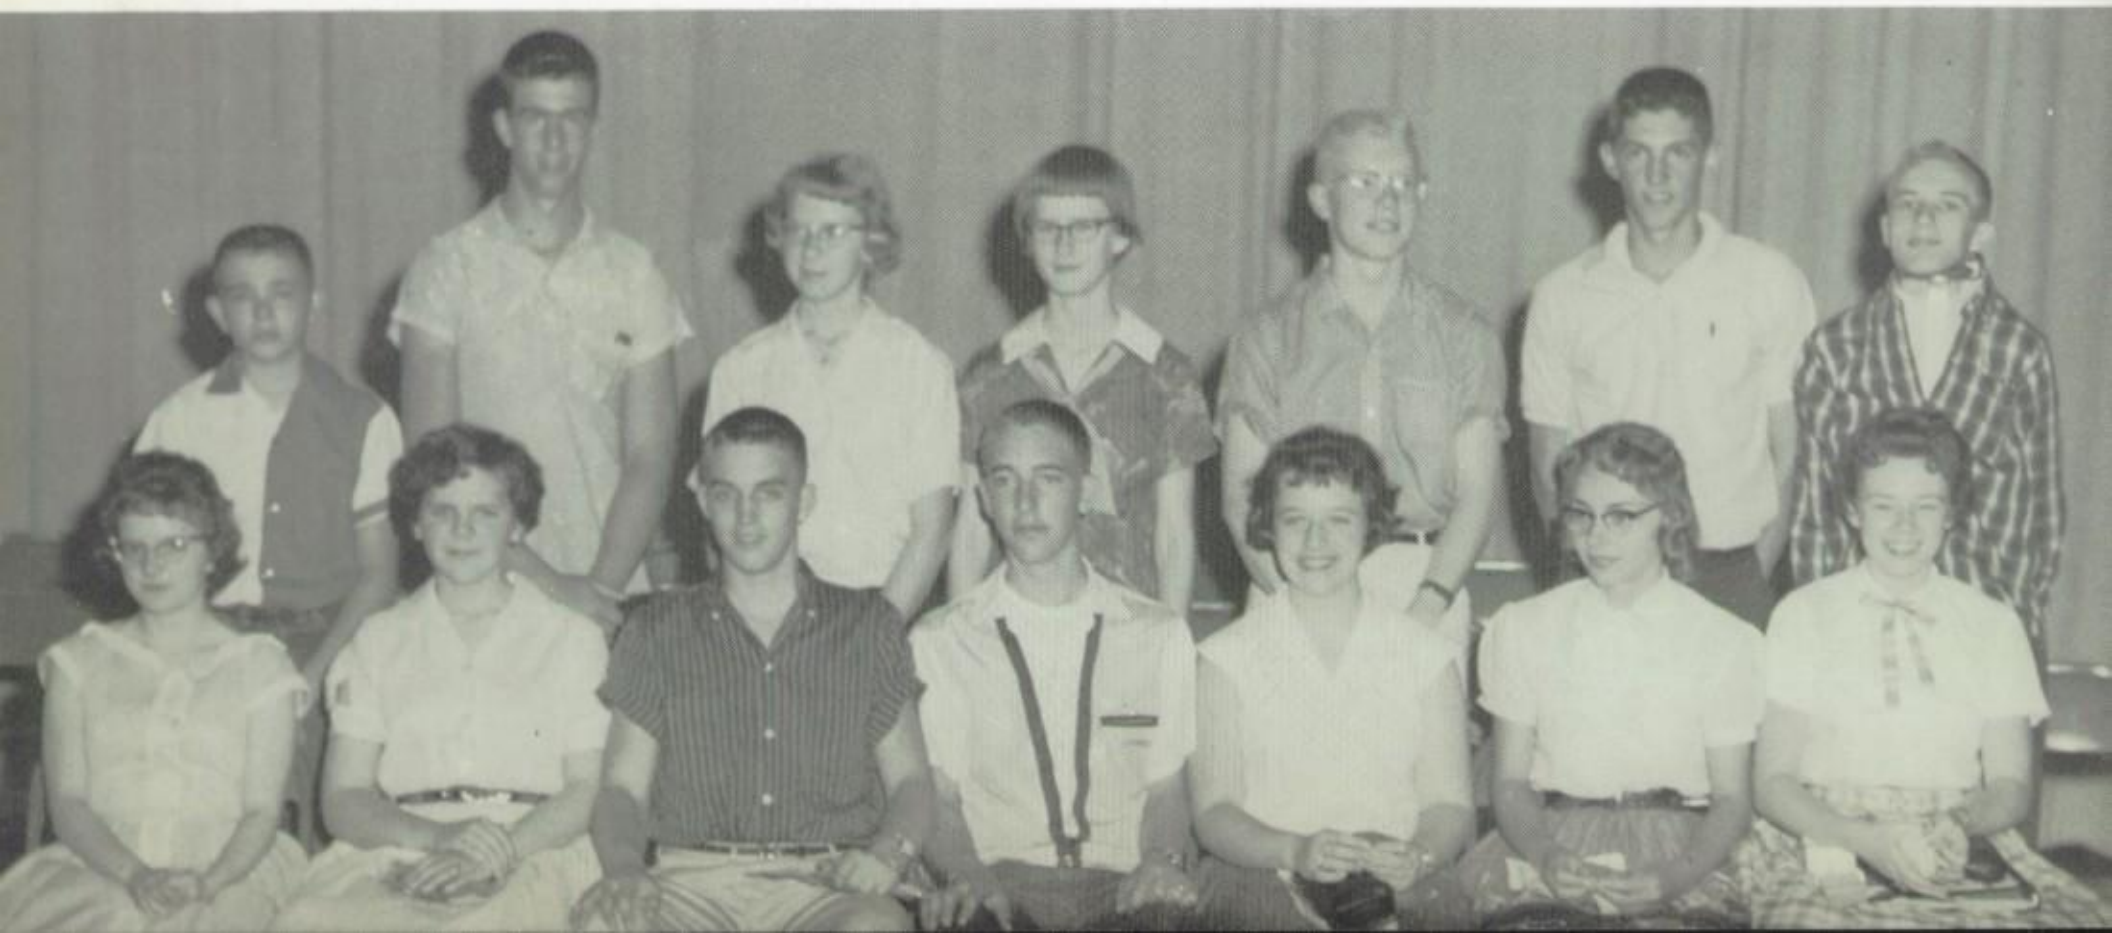

For the first time in school history, the Beloit City Teachers Association has made available two \$75 scholarship grants. Other college grants are also noted this year as every year.

The local Rotary Club initiated a program of interesting students in better citizenship, and awards were available to applicants from any school in the city. Four awards, two for girls and two for boys, came to B.H.S. (and Junior High) this first year.

The Local American Legion organization has for many years sponsored one boy; the Rotary Club, one; and The Lions Club, one, to Boys State.

Art Muck and John Harrison were delegates to Boys State in Wichita May 31 to June 6, the American Legion's sponsored program in politics and self-government training for youth. Janet Widrig was B.H.S. delegate to Girls State in Lawrence.

Eight students placed on first or second honor rolls during the year and received letter awards: Sharon Lynch, Carolyn Couton, Karin Taylor, Ann Hauck, Barbara Litton, Pauline Kresin, Bob Lampert, and Clint Sewell (NOT IN PICTURE).

...in Studies and Personal Achievement

Scholarship awards are determined by making the first or second honor rolls during each semester of the year. For a student to make first honor roll, he must have three A grades and one or two B grades --- must carry at least four subjects. Second honor roll requires at least one A grade and others B -- or one C and three A's.

Three students maintained straight A grades throughout the year: Linda McDonald, junior; Nancy Litton, sophomore; and Dale Marie Canfield, freshman.

Four of the 15 pictured in first honor roll for both semesters carried five solids.

Scholarship letter awards were given all students pictured on this page.

Making Second Honor Roll at least one semester are, **STANDING:** Rodger Gaskill, Bob Jordan, Roger Briney, Larry Kadel, Betty Lou Moore, Sheryl Jordan, Jean VanDonge. **SEATED:** Ruth Burnette, Joan Rugg, Barbara Farr, Linda Emmot, Cheryl Seaman, Jane Thierolf, Karol Durham.

Classroom Activities are the Center of School Life

B.H.S., an accredited high school, offers students courses in at least six groups or areas. No student may be graduated until he has completed 17 units (34 credits). Beginning with 1958 school year, the so-called "majors" and "minors" are no longer required as such. Required of every student are: (1) three years (six credits) of English; (2) two years of Social Studies, which must include American History and Government in junior and senior years; (3) one year of mathematics; (4) one year of laboratory science (biology, chemistry, or physics); and (5) two credits of physical education earned over a period of two years.

Speech and dramatics are enjoyed by all who take the courses. This year, in addition to the two class plays, the speech classes presented a one-act play and a special assembly program. Students won one highly superior and four superior ratings at state contests.

Speech assembly by students of two classes. Thelma Ann Finley speaking.

Workshop of the School -- the wonderful world of books -- our library contains more than 3,000 volumes --- has a full-time librarian.

One-act play "Balcony Scene" rated a I at district competition and a II at state (Hays).

Required and Elective Courses Contain a Variety of Interests

Principal Harrison doubled in the role of school administrator and classroom instructor this year, teaching fifth and sixth hour government classes. Students engaged in a mock election, paralleling the local fall election and worked out a debate with the pros and cons of the "right-to-work" issue which is so prominent in national government problems. Class members also visited the local voting polls, interviewed county and city officials, and made up scrap books covering procedures of congress and developments in the Little Rock situation.

Freshman girls really enjoyed this 1959 Buick for Drivers' Training.

Freshman Don Giddings enjoys his Biology project -- snakes.

Biology students labor over a dissection -- most sophomores take this course.

Fifth hour Government Class -- with caps and gowns -- usually seniors take this course (required of all).

Local automobile dealers have been furnishing the school with late model cars specially equipped for Drivers' Training Instruction. This year the Beloit Motor Company supplied a 1959 model Buick which some fifty students enjoyed driving.

Girls in Foods Class serve their mothers dinner. Thirteen were training in Foods this year -- nine in Home Living, nineteen in Clothing classes.

Mr. Baugher instructs in General Shop practices --- the boys learn welding with torch and machine. Eleven enrolled in General Shop, a course offered this year for the first time for boys in town who want and need general shop ability, but do not expect to farm.

General Science classes met with Mr. Keady -- freshmen saw films and studied charts (and text).

Physics Class labor with scientific principles and experiments -- 16 enrolled.

Added Attractions in Educational Entertainment

Students enjoyed a wealth of special lyceum programs and entertaining assemblies throughout the year. Some were presentations by groups within the school. Others were brought by colleges or universities, and some were made available through activity ticket monies.

Science Club is Creation of Science-Interested Trojans

A welcome addition to school activities for science lovers of B.H.S. was the Science Club. Organized with 45 charter members, meetings were held at regular intervals throughout the year. Highlight was the talk given by Harold "Junior" Bartleson (class of '45), member of a Convair team working on Cape Canaveral. Bartleson was killed in an auto accident shortly thereafter in Florida. Club members prepared interesting demonstrations under the guidance of sponsor-teacher Mr. Schwemmer throughout the year, and gave one assembly program.

Ideals of Personal and Social Living

Under the skillful guidance of the sponsors, Miss Gillmore, Miss Tinkler, and Mrs. Lukens, President Kay Kelley, and the Cabinet, the Y-Teen members enjoyed participating in the year's activities. Meetings were held twice a month during activity periods.

The Big-Little Sister Picnic was held in September. Its purpose was to help freshmen become acquainted with other Y-Teen members.

Other events were the YWCA-Y-Teen Potluck Supper, Heart-Sister Party, Ma-Pa-Me Banquet with a Dutch theme, YWCA-Y-Teen Tea, and the St. Patrick's Party with the Hi-Y boys as guests. King Patrick and Queen Patricia were Dick Studer and Karen Smyth.

Y-Teen committees had several projects throughout the school term. Committee members decorated the building hallways and stair landings for the Christmas season, made nut cups and baskets for shut-ins, and went Christmas caroling.

The Y-Teen Club had many varied and interesting programs throughout the school year. The talent was from within the school and community.

Nearly all boys in school belong and attend Hi-Y meetings. Usual meeting procedure is that of opening with all repeating the Hi-Y purpose and creed followed by devotions and song singing. The president usually presides, and the vice-president is usually program chairman.

Freshmen were officially introduced to Hi-Y with a watermelon feed on the west entrance walk on September 10. The boys launched on their activities immediately with handling concessions at the football games. November 13 was the date of the annual Father-Son Mixer held in the school study hall. The program was a comedy skit presented by the Woodwork Class. The regional Hi-Y conference was held at Miltonvale on November 24, some 15 boys attending.

Interesting programs were held this year calling in men from local businesses and interests. The annual Y.M.C.A.-Hi-Y drive was successful, assisting the club finances materially.

One investment in property for the club was the purchase of a new popcorn machine. This unit was used regularly at football and basketball games and even at the track events.

Band and Chorus Combine for Fine Spring Concert

Band, orchestra, pep band, small ensembles, chorus, glee club, a-cappella, and soloists found first hour in the morning reserved for instrumental use and fourth hour taken for vocal study. All other times for practice and study had to be arranged by the instructors around other class activities. Band often practiced marching early in the morning during the fall season. Activity period chorus found infrequent get-togethers at activity period when other events didn't interfere. Soloists and small groups had to find extra time for work-outs. Culmination of the year's instrumental and vocal efforts was the Spring Concert at the Municipal Building, Friday, May 8.

Candidates selected by their classmates for the honor of "reigning" as Boy and Girl of the month if elected by popular vote are listed below. Above is a group of candidates who were up for voting in addition to those who were elected.

Student Council Continues Calendar Honors

The popular Boy and Girl Calendar honor originated in December of 1956 and each school month since classes and organizations have presented candidates for popular vote. One boy and one girl elected has the honor of having his picture grace the month's calendar in the main hallway. The council thus provides a way of recognizing all-around accomplishment as judged by all-student vote.

Football — the Silhouette

The 1958 football season, plagued with injuries, heard the final gun in a lost contest with Lincoln, finding the Trojans at the bottom of the heap in company with Minneapolis. Because of a flood at Clyde, Kansas, at the start of the season, Belleville had no game playing before meeting Concordia and lost that initial game. Concordia went on to win all other league games in stride.

Winning float in the Homecoming parade, October 17, made up by the geometry class.

Golf Shares Profile of Spring Sports

Fourth major sport available for Trojan participation is the spring climaxed golf schedule. Coached by Mr. Gene Keady some twenty boys practiced up on the local country club links. They were successful in placing fourth in the league competition and eighth in state. Outstanding individual performer was junior Don "Duffy" Miller.

The season's events included the following:

Four-man team which placed eighth in state meet at Clay Center May 15-16. Mike Lummis, senior; Bill Albott, junior; Ron Gentry, sophomore; Don Miller, junior.
